

## **INTEGRATED ACCESSIBILITY STANDARDS POLICY**

The following policy has been established by Allstate Canada Group to govern the provision of services with Ontario Regulation 191/11, "Integrated Accessibility Standards" ("Regulation") under the *Accessibility for Ontarians with Disabilities Act, 2005*.

These standards are developed to break down barriers and increase accessibility for persons with disabilities in the areas of information and communications and employment.

Allstate Canada Group is governed by this policy as well as the Accessibility Standards for Customer Service Policy and the *Accessibility for Ontarians with Disabilities Act, 2005* in meeting the accessibility needs of persons with disabilities.

### **Commitment**

Allstate Canada Group is committed to treating all people in a way that allows them to maintain their dignity and independence. We believe in integration and equal opportunity. We are committed to meeting the needs of persons with disabilities in a timely manner, and will do so by preventing and removing barriers to accessibility and meeting accessibility requirements under the Accessibility for Ontarians with Disabilities Act.

This policy will be implemented in accordance with the time frames established by the Regulation.

### **Accessibility Plan**

Allstate Canada Group will develop, maintain and document an Accessibility Plan outlining the company's strategy to prevent and remove barriers from its workplace and to improve opportunities for persons with disabilities.

The Accessibility Plan will be reviewed and updated at least once every five years, and will be posted on the company's website. Upon request, Allstate Canada Group will provide a copy of the Accessibility Plan in an accessible format. For example: reading written information aloud to the person directly, electronic formats (email, MS Word, HTML), large print documents, accessible audio formats, etc.

### **Self-Service Kiosks**

Allstate Canada Group will have consideration for accessibility when designing, procuring or acquiring self-serve kiosks to better serve persons with disabilities.

### **Training Employees and Volunteers**

Allstate Canada Group will ensure that training is provided on the requirements of the accessibility standards referred to in the Regulation and continue to provide training on the *Human Rights Code* as it pertains to persons with disabilities, to:

- all its employees and volunteers;
- all persons who participate in developing Allstate Canada Group's policies; and,
- all other persons who provide goods, services or facilities on behalf of the company

The training will be appropriate to the duties of the employees, volunteers and other persons.

Employees will be trained when changes are made to the accessibility policy. New employees will be trained within 2 (two) weeks of commencing employment at Allstate Canada Group through the company's Code of Ethics program.

Allstate Canada Group will keep a record of the training it provides.

## **EMPLOYMENT STANDARDS**

### **Recruitment**

Allstate Canada Group will notify its employees and the public about the availability of accommodation for applicants with disabilities in its recruitment process.

### **Recruitment, Assessment or Selection Process**

Allstate Canada Group will notify job applicants, when they are individually selected to participate further in an assessment or selection process that accommodations are available upon request in relation to the materials or processes to be used.

If a selected applicant requests an accommodation, Allstate Canada Group will consult with the applicant and provide, or arrange for the provision of, a suitable accommodation in a manner that takes into account the applicant's accessibility needs due to disability.

### **Notice to Successful Applicants**

When making offers of employment, Allstate Canada Group will notify all successful applicants of its policies for accommodating employees with disabilities.

### **Informing Employees of Supports**

This information will be provided to new employees as soon as practicable after commencing employment.

### **Accessible Formats and Communication Supports for Employees**

Upon the request of an employee with a disability, Allstate Canada Group will consult with the employee to provide, or arrange for the provision of, accessible formats and communication supports for information that is needed to perform his/her job, and information that is generally available to other employees. In determining the suitability of an accessible format or communication support, Allstate Canada Group will consult with the employee making the request.

### **Workplace Emergency Response Information**

Allstate Canada Group will provide individualized workplace emergency response information to employees who have a disability, if the disability is such that the individualized information is necessary, and if Allstate Canada Group is aware of the need for accommodation due to the employee's disability. Allstate Canada Group will provide this information as soon as practicable after becoming aware of the need for accommodation.

Where the employee requires assistance, Allstate Canada Group will, with the consent of the employee, provide the workplace emergency response information to the person designated by Allstate Canada Group to provide assistance to the employee.

Allstate Canada Group will review the individualized workplace emergency response information when the employee moves to a different location in the organization or when the employee's overall accommodations needs or plans are reviewed.

### **Documented Individual Accommodation Plans**

Allstate Canada Group will maintain a written process for the development of documented individual accommodation plans for employees with disabilities.

If requested, information regarding accessible formats and communications supports provided will also be included in individual accommodation plans.

In addition, the plans will include individualized workplace emergency response information (where required), and will identify any other accommodation that is to be provided.

### **Return to Work Process**

Allstate Canada Group maintains a documented return to work process for its employees who have been absent from work due to a disability and who require disability-related accommodations in order to return to work.

The return to work process outlines the steps Allstate Canada Group will take to facilitate the return to work and will include documented individual accommodation plans as part of the process.

This return to work process will not replace or override any other return to work process created by or under any other statute (i.e., the *Workplace Safety Insurance Act, 1997*).
